ROHIT MIRAGE

Data Analyst

📞 +91 8698225868   ✉ rohitmirge13@gmail.com   📍 Pune, Maharashtra

Results-driven Data Analyst with skilled in transforming raw datasets into actionable insights. Proficient in Python, Excel, Tableau, and data visualization techniques. Strong analytical mindset with experience in data cleaning, predictive modelling, and dashboard creation to support data-driven decision-making.

Skills

- Data Analysis & Data Cleaning
- Excel (Functions, Data Processing)
- Python Programming (NumPy, Pandas)
- Tableau Data Visualization
- Predictive Modelling
- Statistical Analysis
- Dashboard Development
- Big Data Analytics
- MySQL

Projects

HR Analytics Dashboard | Power BI
Developed an interactive HR analytics dashboard to analyse employee attrition, workforce demographics, and departmental performance. Used data visualization techniques and KPIs to uncover insights that support data-driven HR decisions and workforce planning.

World Defence Exports Analysis | Power BI, DAX
Created a data visualization dashboard using World Bank datasets to analyse global defence export trends. Applied advanced DAX measures for dynamic ranking and percentage analysis, transforming complex data into clear business insights.

Fitness Business Analytics Dashboard | Power BI
Designed a modern fitness analytics dashboard to track memberships, revenue, expenses, and profit metrics. Focused on intuitive visualization and user experience to present business performance and health metrics effectively.

Education

Bachelor of Computer Applications (BCA)
Dr. Babasaheb Ambedkar University, Sambhaji Nagar   March 2025

Experience

Fresher
